GOVERNMENT OF KERALA

Abstract

SOCIAL WELFARE—GRANT OF PENSION TO DESTITUTE WIDOWS—SCHEME—SANCTIONED.

DEVELOPMENT DEPARTMENT

(Municipal Rules)

G. O. (P) 873/63/DD. *Dated, 6th December* 1963.

ORDER

The problem of destitute widows in society especially those with children has become so acute as to require urgent sympathetic consideration. The question of instituting a system for the payment of Pension to the destitute widows has been considered by Government and they are pleased to sanction a scheme for the purpose. The general rules governing the payment of pension are given in Annexure I to this order. The pension payable under this scheme to each destitute widow without any minor child or children will be subject to a maximum of Rs. 15/- per mensem. In the case of a destitute widow with a minor child or minor children the amount of pension will be subject to a maximum of Rs. 20/-per mensem.

2. The Board of Revenue shall be in over-all control of the scheme and it shall be competent for the Board to issue such instructions to the Collectors and other officers connected with the working of the scheme as it may deem necessary from time to time for its proper enforcement. The expenditure on the scheme will be debited to the head of account "71-Misc. (f) Grants-in-aid, contributions, etc. (xiv) Grant of pension to destitute widows". The Board of Revenue is declared as the Chief Controlling Authority in respect of the above Budget head and it shall be its duty to distribute the funds available under the head among all the Collectors in accordance with the requirements of each. The Collectors will in turn distribute the amount among the Block Development Officers and the Commissioners in accordance with their requirements.

3. The Block Development Officers and Municipal and Corporation Commissioners will be placed on account, by the Accountant General, with the Treasuries concerned. They will draw cheques, in favour of the Post Masters of the offices of issue for the total amounts required for payment of pensions sanctioned within their jurisdiction during the month. A schedule in form X in Annexure II will be prepared by them in duplicate for this purpose showing details of disbursement to each pensioner and will be sent to the Collector. The

schedule shall serve the purpose of voucher. The Collector shall compile the accounts of disbursements in respect of his district and render consolidated accounts to the Accountant General. The Collector will also forward a monthly consolidated statement of sanctions prepared in Form XI in Annexure II to the Accountant General. The Block Development Officers and Commissioners will prepare the money order forms in favour of each pensioner and transmit the same with the cheques drawn in favour of the Post Masters of the offices of issue to the post office together with a list of the money orders.

4. One of the important requirements in the working of this scheme is the proper watch and maintenance of accounts of money orders which are returned to the offices of the Block Development Officers/Commissioners as undisbursed. The details of all the returned money orders will be entered in a separate register opened for the purpose and the money so received will be refunded into the treasury at the earliest opportunity under intimation to the Collector. The amount of undisbursed pension will be treated as abatement of charges under the head "71 Miscellaneous-(f) Grants-in-aid,Contributions, etc. (xiv) Grant of pension to destitute widows" if the refund is made within the same financial year or credited to the Revenue head "L II Miscellaneous (i) Miscellaneous-7 Other items-(v) Other receipts" if the refund is made only in the succeeding year. In the former case, the revenue head should also be indicated in brackets in the chalan. A monthly detailed statement of such undisbursed pension will be forwarded by the Block Development Officers/ Commissioners to the Collector showing the number and date of the chalans, the month to which the pension relates and the name and account number of the pensioner for necessary adjustment of the amount to the expenditure head. The Collector shall render consolidated accounts to the Accountant General.

5. The Block Development Officers and Commissioners will also send before the 15th day of every month to the Collectors and to the Board of Revenue a monthly account of the pension under this scheme in Form XII for the previous month.
